

A schematic diagram showing a perspective view of a grid-like structure. The structure consists of a series of vertical and horizontal lines forming a grid. Key components are labeled as follows:

- 20**: An arrow pointing towards the top right corner of the grid.
- 6**: A label at the top left corner.
- 42**: A label near the top center.
- 236**: A label near the top center, below 42.
- 136**: A label near the top right corner.
- 137a**: A label near the top right corner, below 136.
- 3**: A small upward-pointing arrow located between 137a and 110a.
- 110a**: A label pointing to a rectangular area on the right side of the grid.
- 237a**: A dashed line extending from the bottom of 110a towards the center.
- 104**: A label near the center-left of the grid.
- 4**: A small upward-pointing arrow located near the center-right.
- 210**: A dashed line extending from the top of 4 towards the center.
- 44**: A label near the center-right, below 210.
- 107a**: A bracketed label encompassing the central portion of the grid.
- 255a**: A dashed line extending from the bottom of 107a towards the center.
- 5**: A small upward-pointing arrow located near the bottom-center.
- 137a**: A label near the bottom right corner.
- 6**: A small upward-pointing arrow located near the bottom right corner.
- 120a**: A label near the bottom right corner, above 6.
- 247a**: A bracketed label near the bottom center.
- 138**: A label near the bottom center, below 247a.
- 238**: A label near the bottom left corner.
